

Welcome to AMAZON Building MQJ1

**Vest is MANDATORY in the yard all the time**

1. Park on the FENCE LINE wait for the call or if you have the dock door number, go to the dock door.
2. Break the seal (yard drivers have bolt cutters if needed), open the doors, and park your trailer in the assigned dock door.
3. Unhook from your trailer and park your tractor in the green bobtail parking areas shown on the map.
4. Take your paperwork into the **office** which is located between **DD211 and DD212**.
5. Once you are paged or called, return to the office for your signed paperwork.
6. After you give back the pager device and get your paperwork, then you can proceed to pick up your trailer from the dock door.
7. Only hook up to the trailer at the flashing green light if the door has red light please do not hook up to it, go to the office for further
